

Wealden District Council has partnered up with iChoosr to help residents save money on their energy bills. Register online or over the telephone to see how much money you could save! Participation is completely free and you are under no obligation to switch. Joining the Big Wealden Switch is as easy as 1,2,3 ...

1. Register online by going to www.wealden.gov.uk/thebigswitch or by calling the Council on 01323 443322. You will need your annual fuel statement or recent energy bills to complete the process.
2. The collective bargaining power of lots of people like you is used by I-Choosr to get energy companies to try and under-bid one another to provide you with the cheapest tariff.
3. I-Choosr will then contact you by email or letter detailing your personal offer. Remember to check your emails after the auction! If you like the offer you can accept and switch to your new supplier which is a fixed price contract for twelve months.

As long as you are the bill payer you can take part, regardless of tenancy or meter type.

The auction will be held on the 22-May-2016. You can use one email address to register up to five households. Why not help a relative or friend out?

On average switchers tend to save £200-£300.
