

THE CINNAMON TRUST NEEDS YOU!

**Want to do more good deeds in your neighbourhood?
Ever wished you could have a pet, but don't have time to look after one full time?**

If so, you need The Cinnamon Trust - and we need you too!

Without someone to walk an elderly person's dog they can be forced to give up a much loved pet which is often their only companion. We do not expect volunteers to go out every day to walk we try to match at least 2-3 volunteers per household so that the task can be shared. As well as dog walking we also look for people to assist with short term fostering 'Pet Fostering' when owners face a short spell in hospital or transporting a pet to the vets for their elderly owner.
