For your information a summary of some of the key points can be found below:

- Before any memorials may be erected or works undertaken to an existing memorial, an application must be submitted to the Council for approval and any fees paid accordingly.
- No work should be undertaken until a permit has been issued.
- All installations must be constructed and installed with the current National Association of Memorial Masons (NAMM) or British Register of Accredited Memorial Masons (BRAMM) recommendations.
- Anyone who erects a memorial or who undertakes any memorial work within the cemetery, not in compliance with these Regulations, may be compelled to remove it.
- The placing on graves of glass containers or shades, items of pottery, tins, plastic or wire mesh fences or other items of metal, plastic or other material are forbidden and may be removed by the Council without notice.
